Important information

The shareholder may not provide other instructions than marking one of the response alternatives in the postal voting form. If the shareholder has included special instructions or conditions, or changed or made amendments to the pre-printed text, the postal vote will be considered invalid.

For complete proposals regarding the items on the agenda, kindly refer to the company's website.

Only one form per shareholder will be considered. If more than one form is submitted, only the form with the latest date will be considered. If two or more forms have the same date, only the form latest received by the company will be considered. An incomplete or wrongfully completed form may be discarded without being considered.

If a shareholder has submitted its postal vote and thereafter participates in the meeting venue in person or by proxy, the postal vote is still valid to the extent that the shareholder does not participate in a voting during the general meeting or otherwise withdraws the postal vote. If the shareholder chooses to participate in a voting during the general meeting, the votes cast at the meeting venue will replace the previously submitted postal vote with regard to the relevant decision(s).

Please note that the postal vote does not constitute a notice of participation to attend the meeting venue in person or by proxy. Instructions for shareholders who wish to attend the meeting venue in person or by proxy are included in the notice convening the meeting.

A postal vote can be withdrawn up to and including 17 October 2025, by making such request by e-mail to jonas.eborn@modelon.com. Anyone wishing to revoke a postal vote and instead exercise their voting right by attending the meeting physically or by proxy must notify the secretariat of the meeting before the meeting opens.
